

AWME PAYMENT OPTIONS for UK

Credit/debit cards

You can order product, make donations and pay for partnership with your credit/debit card by telephoning our helpline on 01922 473300 or through our website www.awme.net

Cheques

It is important that a name and address is enclosed, as the name on the cheque is insufficient to allow us to verify the donor. The allocation of the donation is also required. We cannot accept "Euro cheques" but we can receive cheques in **Euros, Dollars and Esterling.**

Payments by Post

It is not safe to send currency notes through the post.

Direct Bank Transfers *(This method is popular for people living outside the UK)*

If this method is used reference on the payment to your name is essential and what the money is to be allocated to.
